TEMPEST 700 LUXE.

NEW MODEL 2025.

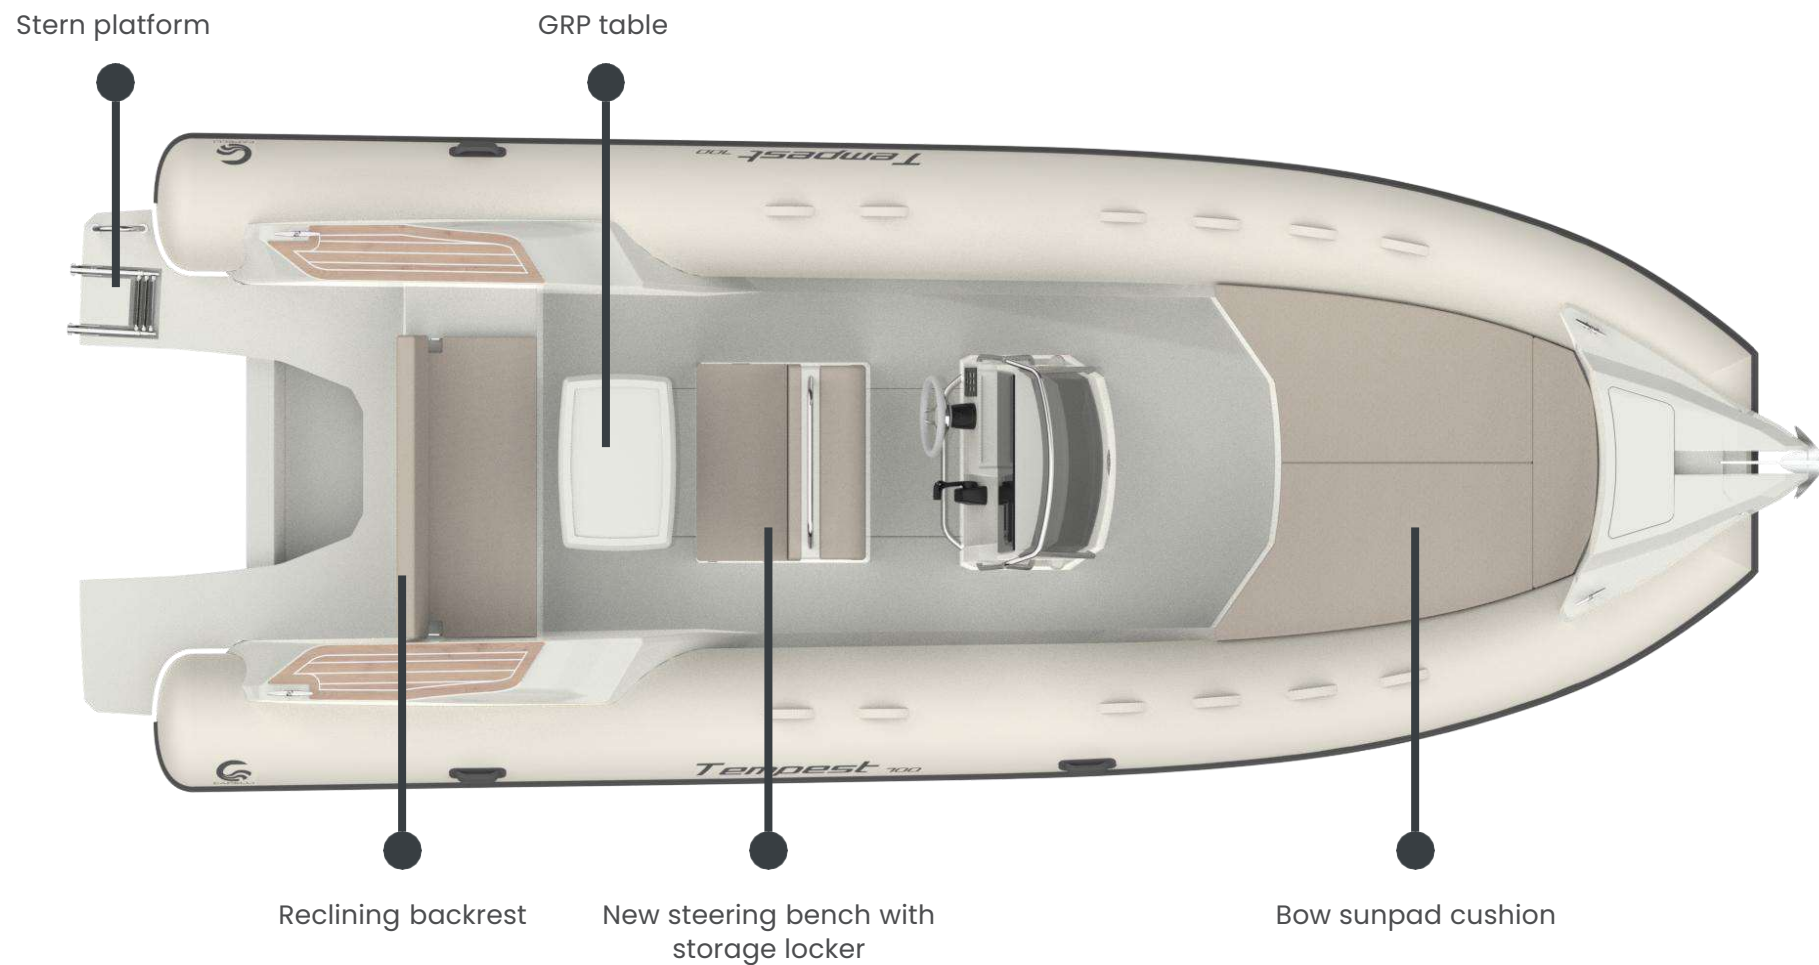

CAPELLI

NEW LAYOUT.

LUXE RANGE.

The updated deck layout features a new configuration, with a helm bench facing aft and a rear sofa with a reclining backrest. This setup increases seating at the stern and provides a larger sunbathing area.

The aesthetics are inspired by the LUXE range, with coordinated colours that give the boat an elegant and timeless look. Ivory fiberglass, ivory perlage tube, and light beige upholstery.

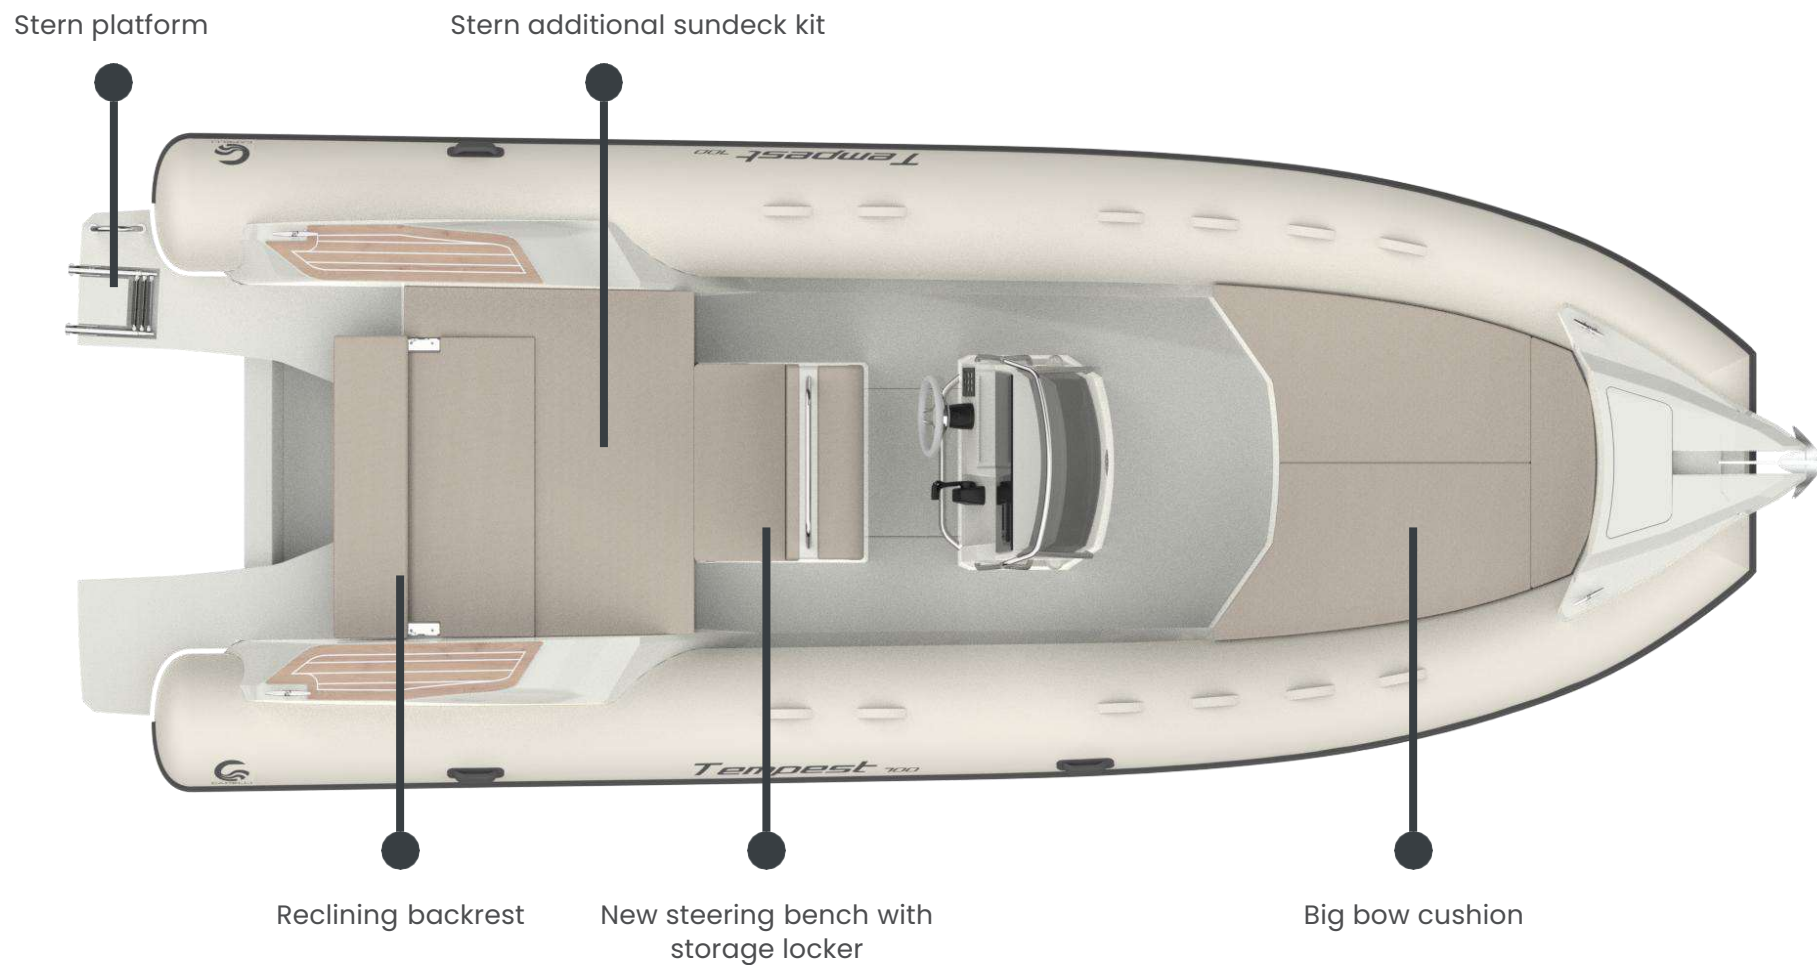

NEW LAYOUT.

LUXE RANGE.

The redesigned steering console includes a tall, protective windshield, a spacious instrument panel that accommodates displays up to 16", and additional storage space.

The expansive bow sunpad cushion can be further enlarged with an optional extra cushion. Below, there's a generous storage compartment.
